2020 Pocahontas County FFA Greenhouse Sales

Before school was called off in March, Agriculture Students at PCHS had germinated and transplanted thousands of seeds.

Since then a few adults have maintained and nurtured these seedlings and the result is a greenhouse teeming with beautiful plants that will be ready to sell in late April and through late May. I would like to set up at 5 different locations in the county to make the product of our toil available to everyone in the county.

These are the procedures I would follow:

- I would set up at locations with a trailer and a table.
- I would have samples of the products on the table for buyers to observe.
- The buyers would come to the table one at a time and tell me what they would like to order.
- I would bring what they order to the table where they would put their payment in a cash box. Checks would be made out to Pocahontas County FFA.
- I will be wearing a mask, gloves, and have hand sanitizer on hand.

If the sale is called off because of inclement weather, I will notify WVMR and the people at the below locations if possible.
